SUMMARY

Highly motivated and results-oriented learner with a strong foundation in computer science and a passion for software development. Eager to leverage my skills and knowledge to contribute to a team environment and gain hands-on experience in building and maintaining software applications.

TECHNICAL SKILLS

Hard Skills: C | C++ | HTML5 | CSS3 | Javascript | Bootstrap | WordPress

Coursework: Operating System | DBMS | Computer Networks | OOPS | Data Structure

Developer Tools: Git | GitHub | VS Code

Soft Skills: Communication | Leadership | Time Management | Adaptability | Problem Solving | Teamwork

EXPERIENCE

FrontEnd Developer Intern

Jan. 2024 – Present

Graphic Weave

Srinagar, India

- Participated in front-end development tasks, gaining hands-on experience in translating design concepts into functional web interfaces
- Assisted in implementing responsive designs and ensuring cross-browser compatibility to optimize user experience across various devices.
- Utilized API's to integrate external data and services, enhancing the functionality and interactivity of web applications.

PROJECTS

Personal Portfolio | [Live](#) | [GitHub](#)

- Developed a comprehensive personal portfolio to showcase my technical skills and completed projects, enhancing my professional online presence.
- Ensured cross-device compatibility by implementing responsive design principles for optimal viewing on various screen sizes.

Weather Forecast Website | [Live](#) | [GitHub](#)

- Developed a Weather Forecast Website that delivers real-time weather updates by fetching data from external weather API's using the Fetch API.
- Optimized the user experience with a responsive design, ensuring accessibility across a wide range of devices.

GitHub Explorer | [Live](#) | [GitHub](#)

- Built GitHub Explorer utilizing the Fetch API to enable users to dynamically search for and display GitHub profiles, repositories, and user information.
- Created an engaging user interface by implementing a responsive design, providing seamless functionality across various devices.
